

Important notice prepared and issued by the Energy Super Board dated 30 September 2020

Hi there

This is an important notice that affects members who have insurance cover paid for by their employer and who are under the age of 25 or have a balance that has not exceeded \$6,000.

If your employer is paying your insurance premiums and you are under the age of 25 or have an account balance that has not exceeded \$6,000, if you were to cease employment with that employer **your insurance cover will cease on the date you ceased employment.**

HOW CAN I KEEP MY INSURANCE COVER IF I LEAVE MY EMPLOYER?

If you are under 25 years of age or have a balance of less than \$6,000 and want to keep the cover that you currently have, even if you leave your employer, you must provide Energy Super with an *Insurance Cover Election Form* **BEFORE** you cease working for your employer. The *Insurance Cover Election Form* is available at energysuper.com.au.

If you elect to continue your insurance cover after you cease employment with your employer, the premium for this cover will continue to be deducted from your account.

CAN I RESTART MY INSURANCE?

If you cease employment with your employer and have not provided an *Insurance Cover Election Form* to opt-in to insurance you may be able to re-commence insurance cover. However the terms of this cover may be different to those offered under your previously held cover. There may also be a period when you do not have any cover (from the date you left your employer to the date any insurance cover re-commences).

You can contact us to explore your eligibility and the options available to you by calling **1300 436 374** between 8.00am to 5.00pm (AEST) Monday to Friday, or email us at info@energysuper.com.au.
